

# GEC Lighting Made Simple!

800.769.5137

**LED Uplights** – Changes the color of the room and placed against the walls

**Pin Spots** – Small lights that highlight items such as the cake, centerpieces and head table

**Truss** - Metal 8' stands that hold TV Screens and lighting next to the DJ

**Moving Heads/Dance Lights**  
Projects patterns around the room and syncs with the music for a wow effect

**Gobo Projection** - Projects a custom image against the dance floor or wall
